VOLUMB XLIV. NUMBER 52

ARE our Democratic Congressmen trying to pull the wool over

THE Rev. Dr. Swift complains that the surplus which used to swell the county treasury has disappeared. 'Tis too true! The treasury is empty; but the Rev. rants. Dr. and his Prohibition condjutors have the remedy in their own in our town now. He seems to be hands. Let them "put up" the a nice man and is building up a hands. Let them "put up" the \$20,000 or \$25,000 of which the county has been deprived by reason of the absence of the saloon for the past four years, and all will be well again. Surely Reform-Moral Reform-is worth its Rev. Dr. will think back a little he will recall that I told him that he and those with him would have the treasury depleted within a few years, and that then they would be crying out that our Democratic officials were responsible for the

undesired condition so superin- Lack of interest is assigned as the duced. The Rev. Dr. and his solar-walking Republican confreres devised by a trap after old Uncle Remus' model to catch the enemy "comin' and gwine." They ought to pay for its construction without complaint. When I get time, and the weather cools a little, I will give the Rev. Dr. a few "figgers," resultant upon local Republican administration, to ponder over. In the meantime, the consumption of the beverages that both cheer and inebriate goes merrily on, free and untaxed, and with little or no abatement.

SAID Judge Wm. T. Gay in the Enterprise last week:

"I do not know upon whose authority the REGISTER bases its statement that I offered to withdraw my suit of writ of mandamus. The statement that I ever, at any time, offered to withdraw my suit is absolutely false and evidently calculated to mislead the public."

The statement he alludes to and denies is this: "Who asked Judge Gay to withdraw his madamus suit? Both Reyburn and Jones deny having made such request, but say that Judge Gay, on the bench, proffered that if they would pay the costs and permit him to name one of the auditors he would withdraw his mandamus suit-he was 'tired of the whole blanketyblank business,' " etc.

I offered to withdraw my suit of writ of mandamus"! Could I have more clearly set down the source the want of a good heavy rain. of my information? If so, by what manner of wording? In this connection, the following sworn state- blackberries will be few. Come ments make mighty interesting on, Bill, you are welcome back

STATE OF MISSOURI, | 88.

I, the undersigned, being first duly sworn, upon oath state that I have read the statement made by W. T. Gay in the Arcadla Valley Enterprise, in which he denies having made the offer to withdraw his mandamus suit against me and Jos. A. Reyburn, and in which he attempts to convey the idea that Mr. Reyburn and I made the proposal to him. I wish to designate Mr. Gay's statement as contained in the Enterprise as a wilful perpersion. ed in the Enterprise as a wilful perversion of the true facts of this case. Mr. Gay himself was the first one to suggest his withdrawal of the mandamus cases. Judge Scott asked him if he would pay the costs of his cases, and he replied that he would have to see his attorneys about the matter. Later he said he could not withdraw the cases. T. D. JONES, Subscribed and sworn to before me this the 5th day of June, 1911.
CHAS. P. DAMRON, Notary Public.

To All Whom It May Concern:
I wish to make the following statement:
That on May 4th, 1911, during the time
of the conversation of the Court as to who should audit the books, Judge Gay last Sunday.
made this statement: he said that he supmade this statement, he said that he supposed that we all knew that he had a suit
before the St. Louis Court of Appeals for
a writ of mandamus to have the books of
Reyburn and Jones audited, and that the
case was to come up the next day and
that he was satisfied he would get the
writ; but he said he wanted to do what
was fair and right and if we would lethim choose or pick a man and Judge was fair and right and if we would let him choose or pick a man and Judge Stevenson and I pick one that were bonded accountants, that he would withdraw his mandamus suit; and I said to Judge Gay that this proposition he had made was a matter of dollars and cents and that I wished to speak to Reyburn and Jones, and when I came in I asked him if he was willing to pay the cost, and he said that he had not thought on that and I told him that we did not propose to take any undue advantage of him and if he wished to see his counsel that he had better see him, and asked him how much time he wanted, and he said hall an hour and he was gone out about an hour and when he returned he said that he would not pay the cost. Now this he would not pay the cost. Now this is just the conversation as I remember it.

JAMES O. SCOTT.

A. D. HENDERSON,
Justice of the Peace.

STATE OF MISSOURI, | BB. On this 5th day of June, 1911, before me personally appeared Jos. A. Reyburn and W. T. Stevenson, who being by me duly sworn say in relation to a statement made by W. T. Gay in the last issue of the Arcadia Valley Enterprise, they nor neither of them, at any time, proposed to Wm. T. Gay that he dismiss suits pending in the St. Louis Court of Appeals, wherein the said Wm. T. Gay is plaintiff; on the contrary, the said Jos. A. Reyburn and Wm. T. Stevenson, being further sworn, declare that the proposition to dismiss said suits came from the

said W. T. Gay in the manner and sub-stance as detailed in the foregoing affidavit of Judge James O. Scott.
